Old School Icon Pack Crack Full Product Key [Latest]

This set of icons brings back the simplicity of classic icons. The icons in this set are painted on a simple background, with a single thick black outline. Icons are not scaled down so you can customize them with your own sizes. Each icon can be colored in any way you want (as long as you have Photoshop!). Old School Icon Pack Full Crack was designed to be used in various applications. It works in Mail, Document, PDF viewers, Web browser, etc. The set of icons contains: -extra Icons -folder Icons -hardware Icons -file Icons -software Icons -audio Icons -mail Icons -document Icons -screen saver Icons -notebook Icons -lock screen Icons -file explorer Icons -navigation tool bar Icons -application menu Icons -print Icons -system tray icons This set is a good starter for all the newbies who are just getting into the world of graphic design. OLD SCHOOL ICON SET DESIGNED BY: Arslan Mamedov, Claudio Henrique The set includes 114 different (color) icons in total. All you have to do is choose the ones you like and start customizing your apps with these icons. This set is a good starter for all the newbies who are just getting into the world of graphic design. The set includes: -extra Icons -file Icons -folder Icons -screen saver Icons -notebook Icons -lock screen Icons -application menu Icons -system tray icons This set is a good starter for all the newbies who are just getting into the world of graphic design.
