Since its release back in 2010, StarCraft II: Legacy of the Void has been one of Blizzard's best productions. StarCraft 2 is the series of real time strategy video games, with most games developed by Blizzard Entertainment. It is set in the science fiction universe established in the popular.T-12 Ranger The T-12 Ranger was a proposed single-seat fighter aircraft built in the United States in the late 1940s. Design and development The project was developed under the direction of Edward H. Adams. It was intended to replace the T-6 Texan design. The initial intent was to have a different layout to facilitate redesign of the wings and fuselage from the Texan, with the latter half to be called the T-12 Ranger and planned to be less complex than the F-86D Sabre. However, engine problems on test flights prevented the proposal being put into full flight testing. Subsequently it was replaced by the F-86 Sabre.
